

Renault Lotus GP 2012

Ref: A10079X300

This is the second reproduction of the gold and black F1 car by Lotus Renault GP driven by the Russian driver Vitaly Petrov in 2011. Despite his good start with a 3rd position in the Australian Gran Prix, his performance was not convincing and the team replaced him another driver for the 2012 championship.

Steering - Guide with Suspension - Removable and adjustable magnet
